ABOUT BLACK SALT

Black Salt, or Kala Namak, is a natural salt from Sambhar Lake with a unique sulfurous aroma and tangy taste. Perfect for enhancing various dishes, it's rich in iron, magnesium, and potassium, aiding digestion, reducing bloating, and supporting electrolyte balance.

BLACK SALT BENEFITS

Black salt has antioxidant properties and has surprisingly low sodium levels. It also contains important minerals like iron, calcium, and magnesium, which are essential to healthy bodies. Other added benefits of black salt include: Reduces Heartburn and Bloating Black salt stimulates bile production in the liver, and helps control heartburn and bloating. A pinch of salt can reduce the formation of gases and limit bloating and flatulence.
